Varsity Colonel's get psyched up in their pep rally.

James Vanover made his year as head coach of Varsity football at Plantation a memorable one. The team finished with 4 wins and 6 losses, and even though their record doesn't show it, they had a great year.

The highlight was the game that ended the season . . . our victory over South Plantation. We sent those Paladins home with an upset of 10-3.

The team was full of good athletes like Rod Robinson, Vennis Taylor, Tim Raffa, Dirk Lahann, Mike Kahook, Kevin Mercer, David Saifman, Tony Bradham, Vernon Thomas, John Clifford, and Joe Gilley.

Coach Fuller and Coach Bolinger taught the boys a lot and they'll be back for a stronger season next year.

The 1984-85 Wrestlette squad consists of 18 girls who tried out, and were selected by Mrs. Houchins, Mrs. Lee, and Mrs. Brennan, the Wrestlette coach.

The purpose of Wrestlettes is to cheer on the wrestlers during the match, and keep their confidence up. Before the matches, the girls bring the wrestlers food, and after the matches they get "junk food".

This year Wrestlettes have co-captains, which are Traci Ponzio, and Karen Weishar.

"Wrestlettes are alot of fun, and Mrs. Brennan is great to work with," stated Dava Jones, one of the Wrestlettes.

The Faculty opposing the students in a football game has become a tradition at P.H.S. Interaction between students and teachers in a more casual atmosphere helps to establish better rapport in the classroom.

This year the Faculty team, consisting of administrators, secretaries, and teachers, defeated the Students Intramural Champions.

The Faculty gathers during a time out to discuss their game plan.

Scott Vandergriff escapes the tackle.

The students make the snap and then attack.

Coach Capps awaits the kick off return.

1985 Plantation High School Custodians

Custodians contribute a lot to Plantation High. Mr. Moore is the janitor in charge. Mr. Jakowski, Algo, Anglin, Ashworth, Brooks, Cassy, Gonzales, Harden, Keys, Lesser, Tavera, and Wilson are always helping or fixing something. Although they might not get many compliments we appreciate their work!

Cafeteria aides prepare a well balanced meal every day. Mrs. Meers, Gaudin, Lahonte, Gulian, Roof, Jankowski, Robinson, Lebenteny, are the ladies who prepare the meal and are appreciated very much.

SPECIAL

Coach Robert Capps is a first year teacher here at Plantation High. He has put in more than his fair share of hours. He spends his afternoons in the training room taping athletes for practice and then comes back at night to cover the games. It is very important to have a trainer on hand and Mr. Capps is a great one.

Thanks Coach Capps!

Mr. Mike Roland and Mr. Earl Moore are in their second year of being Athletic and Asst. Athletic Director for Plantation High School. The behind the scenes jobs that they do consist of figuring finances for the sports programs, scheduling all athletic events and handling any problems concerning the programs at Plantation High. Their jobs don't end with the final school bell . . . that's when the second half of their day begins. We appreciate their efforts to make our sports super.

Thanks Mr. Roland and Mr. Moore!

PEOPLE

Coach Payton and Mr. Popper have spent many hours a week driving a school bus, transporting athletes from our school to their events. This is an important job and saves the school a lot of money by not having to rent a county bus. It is a good feeling for the teams to get on the bus after a victory and see a smiling face enjoying the win as much as they are — or after a loss, seeing an understanding face, makes the ride home a bit easier. Thanks Coach Payton and Mr. Popper!!

There are many clubs here at Plantation High School and they couldn't be active without their sponsors. Many of the teachers dedicate their time to the students by sponsoring a club. This task consists of overseeing the activities, being available for guidance and advice and being a liaison between the club and the school. We can't have clubs without sponsors . . . so our hats are off to you!

Taking Off

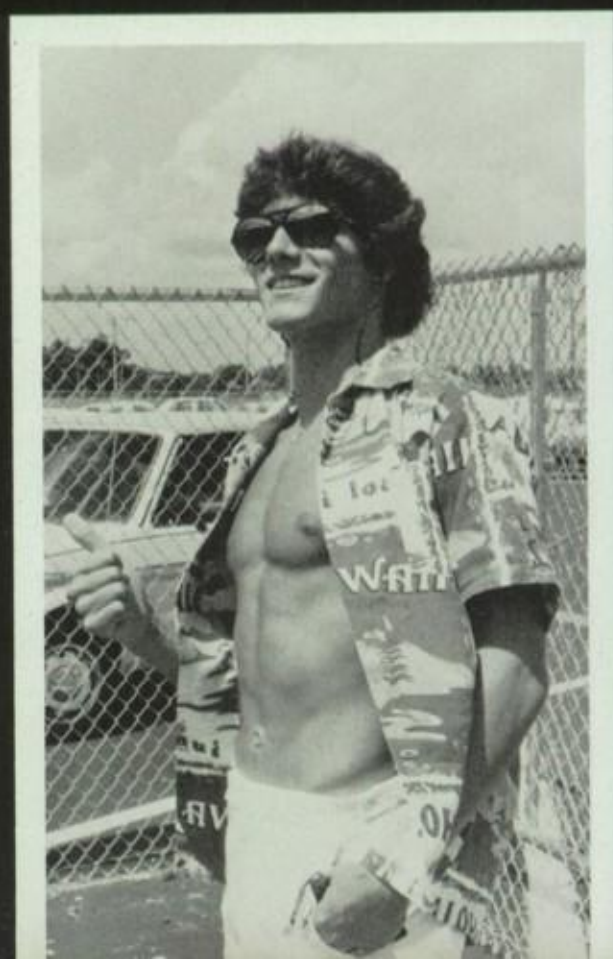
Higher and higher, the balloon soars,
Blazing its way in the sky;
Reaching towards to the great unknown,
Higher than birds can fly.

Being turned by outside forces,
Not having the strength to resist;
Being buffetted to and fro,
Trying very hard to persist.



Finally reaching that special point,
A spot, it has reached its peak;
It's finished at its apex,
Nothing further to seek.

Going out into the sky,
Trying to make a special place;
We, like that colorful balloon,
Challenge the world we face.

Pushed by forces to and fro,
Pressure from an outside force;
Should help to keep us firm,
Following our destined course.

Like a free floating balloon,
Our future lies above;
Resolve to make the effort,
To achieve success, happiness and love.

Mom and Dad
Seth, Jay, Barry & Daniel

Don,

I could never express my feelings toward you in such a way that you would understand the extent of the love I feel for you. You are a kind, tenderhearted, caring, wonderful human being, and I'm extremely grateful we are together. We have shared our darkest secrets, deepest dreams, and our childish lies and schemes, and I thank you for that. I also thank you for being there and helping me when I was ready to turn some pages in that same old story. And because you were there I kept on rollin'.

All my everything,
Tiffany
I Love You.

CONGRATULATIONS CHRIS!!

We're proud of you and know you'll be the best at what ever you do.

Mom, Dad & Nancy

Carlos,

You mean more to me than any words can ever say. You're the love of my life and the heart of my soul. You have taught me the meaning of love and proved to me that there can only be but one true love. I will never forget the moments we have shared, nor shall I stop dreaming of the moments ahead. I wish you luck in everything you do. And I hope that life brings you all the joy that you have brought to me.

"You light up my life."

Love,

Kara-Lee

We have formed
a friendship
that has become
invaluable to me
We discuss our goals
and plan our future
We express our fears
and talk about our dreams
We can be very serious
or we can just have fun
We understand each other's lives
and try to encourage each other
in all that we do
We have formed
a friendship
that makes our lives
so much
nicer

You are always
my friend
when I am happy
or when I am sad
when I am all alone
or when I am with people
You are always my friend
if I see you today
or if I see you
a year from now
if I talk to you today
or if I talk to you
a year from now
You are always my friend
and though through the years
we will change
it doesn't matter what I do
or it doesn't matter what you do
Throughout our lifetime
you are always my friend

"Friends"

On and off the fields were "friends,"
Always there when the other depends.
We share our hopes and our dreams,
We help each other let off steam.
Together through thick and thin,
"Friends" we have always been.
Like sisters we don't always agree,
That's why you're you and I'm me.

Reserved For Someone Special

P.S. - don't ever forget the week with the pigs and the perfumed papers? Ha! Ha!

Kerry,

Well, I really don't know where to start. I'm so glad we met and became friends this year. You're a very sweet and pretty girl with a wonderful personality. Stay that way and you'll go far in life. We had some pretty wild times in 2nd hour with Mr. Moore. I won't forget them. It's a good thing we've got the same last name or we wouldn't be sitting together and we might not have became such good friends. Thanks for being there when I needed someone to talk to and for helping me with my problems. I enjoyed all of our little talks about guys, etc. You're a special friend I won't forget. We'll get together sometime this summer and PARTY O.K? Good Luck in whatever you do. Love Always-

"Flying Free" - that is one way to describe our high school years. We, the balloons, continuously expanding with knowledge, are preparing for "Lift Off" - GRADUATION.

During the past four years we have all grown immensely, and experienced some of the greatest times of our lives. These events have been recorded on the pages of this book. I sincerely hope that reading these pages recalls priceless memories to each student and faculty member of Plantation High.

We have all experienced good and bad times during high school. The yearbook staff and I have worked hard to create the best memory book possible. We want everyone to remember the good and bad times through the pictures and stories on the preceding pages.

My thanks to all who made Reflections '85 possible. The yearbook staff was the best ever. Congratulations on meeting all deadlines and for being a leader for our area! Special thanks to those who gave the extra effort and their precious spare time: Sara Perrone (and "Mom"), Joi Smith, Mara Meyer, Robyn Ryals, Kelly Leider, and Chief Photographer Tina Rossell who missed many parties for pictures. A simple thanks is not enough for our advisor, Mr. Ira Kinder. He withstood the arguments, and lived to tell about it.

I wish the best of luck and success to each and every member of the Class of '85. Thanks for making these past four years the best of my life.

I Love you all,

Lisa Ventresca

Kerry,

Hi! Well this has been some year!! We had some really good times. Remember all the driving we've done. We never had a chance to get real wasted, but there is always time-summer time-to get wasted. I do that alot now. When your friend comes down, I'd like to meet her. I'm glad we have still stayed friends, I think we have no reason to be mad at each other. Remember when we took those flags, I was so scared, I thought we were gonna get in so much trouble. Remember all the times, 2 times, we went out with Ricky and Paul. You had the hots for Paul. Do you still like him? I think you should go for Ricky, I always thought you liked him. So, oh remember Scott and he liked you-hee-hee. We had some fun going out with Doug-remember NICE SHOES! You are a really really fun person and cute at that. I hope you have a great time in Band and initiate those freshman for me at Band Camp. Have a great junior year and maybe if you go to Europe next year so will I, then we can room together and get wasted together, and shop together, and have an awesome time!!!! Keep in touch (583-7022)

Hi! Well this has been some year!! We had some really good times. Remember all the driving we've done. We never had a chance to get real wasted, but there is always time-summer time-to get wasted. I do that alot now. When your friend comes down, I'd like to meet her. I'm glad we have still stayed friends, I think we have no reason to be mad at each other. Remember when we took those flags, I was so scared. I thought we were gonna get in so much trouble. Remember all the times, 2 times, we went out with Ricky and Paul. You had the hots for Paul. Do you still like him? I think you should go for Ricky, I always thought you liked him. So, oh remember Scott and he liked you-hee-hee. We had some fun going out with Doug-remember NICE SHOES! You are a really really fun person and cute at that. I hope you have a great time in Band and initiate those freshman for me at Band Camp. Have a great junior year and maybe if you go to Europe next year so will I, then we can room together and get wasted together, and shop together, and have an awesome time!!!! Keep in touch (583-7029)

Love,
Susan Scott

Those Damn Yankees

Every year Mr. Ira Kinder and Mr. Ron Larder direct and produce a senior musical. This year's play entitled Damn Yankees starred Amy Abrames, Maddie Adelman, Andy Benedetto, Scott Carstens, Tammy Gregorio, Matt Pirozzolo and Scott Rushton. It told the story of a middle-aged real estate salesman who sells his soul to the Devil for a chance to play pro baseball. Although he is fulfilling his dream, Joe longs for his "family man" days. Eventually his team emerges victorious and he returns to his wife. The show, as usual was a success and the proceeds benefitted the Senior Scholarship fund. Each year the play offers opportunities for students of any grade to become involved with an authentic theatrical production. Whether it is behind the scenes or a starring role, each person involved is appreciated and educated.

THE BIGGEST PARTY OF THEM ALL!

For a year, Seniors anxiously awaited Grad Nite and come May 10th, it finally arrived. Five buses took the Senior Class to Walt Disney World where for over seven hours students partied and danced until they dropped. Entertainment was provided by six bands; Midnight Star, Shalamar, Teena Marie, Animotion, Shannon, and Tabasco. At 5 a.m. the night ended with students collapsing back into their buses, clutching t-shirts, pins, and cuddly Winnie-the-Pooh bears. Now, Grad Nite is just a memory, and a lonely pooh-bear on the shelf.

About 8 p.m. Seniors were treated to a prime rib dinner. Later, announcement of Prom Court was given and theme song "Don't You Forget About Me" by Simple Minds was played. The short but touching ceremony ended around 9 p.m. as crowds of Graduates flooded the War Memorial Auditorium grounds hugging each other - some for the last time.
